[illegible] SMOKE

DIRECTIONS

[illegible] 30 days [illegible] harvest [illegible] washing [illegible] other [illegible] means. This product is stable [illegible]

STOP

DO NOT INHALE

DO NOT GET ON SKIN

DO NOT TAKE INTERNALLY

KEEP OUT OF REACH OF CHILDREN

WARNING: May be Fatal if Swallowed! Avoid breathing dust. Avoid contact with skin, eyes, or clothing. Wash thoroughly after using. Avoid contamination of food and feed products. Keep away from domestic animals. Avoid contamination of forage crops and pasture. **Do not apply under conditions involving possible drift to food, forage or other plantings that might be damaged or the crops thereof rendered unfit for sale, use or consumption.**

CHERRIES, PRUNES, APPLES, APRICOTS, PEACHES, PEARS, PLUMS, QUINCES: Syneta Beetle—35 to 40 pounds per acre when the beetles first appear just prior to the blossoming period. Repeat applications as often as necessary but to avoid poisoning bees do not dust during period of full bloom. Do not graze livestock on treated forage.

SWEET AND SOUR CHERRIES: Cherry Fruit Fly—35 to 50 lbs per acre when the flies emerge. Make [illegible] application one week later and during rainy periods a third application should be made. Late varieties such as Lamberts may require a third application and repeated after rains. Do not use on Cherries within 2 days of harvest.

For proper timing of Cherry Fruit Fly emergence consult your State Agricultural Experiment Station.

NOTICE ON CONDITIONS OF SALE: 1. Chevron Chemical Company. Chevron warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. Chevron neither makes nor authorizes any agent or representative to make, any other warranty, guarantee or representation, express or implied, concerning this material.

2. Because critical, unforeseeable factors beyond Chevron's control prevent it from eliminating all risks in connection with the use of chemicals even though reasonably fit for such use, buyer and user acknowledge and assume all risks and liability except those assumed by Chevron under 1 above resulting from handling, storage, and use of the material. These risks include but are not limited to damage to plants, crops and animals [illegible] material is applied [illegible] damage caused by drift [illegible] personal injury. Buyer and user accept and use the material on these conditions [illegible]
