Diazinon 4 O.B.
INSECTICIDE

For Use by [illegible] operators. For Diluting with insecticide base oils

For control of cockroaches and certain other household pests.

ACTIVE INGREDIENTS	BY WEIGHT
O,O-diethyl O-(2-isopropyl-6-methyl-4-pyrimidinyl) phosphorothioate	48.70%
Aromatic petroleum derivative solvent	44.05%
INERT INGREDIENTS	7.25%
TOTAL	100.00%

Target Diazinon 4 O.B. contains 4 lbs. Diazinon per gallon

WARNING: Keep out of reach of children
See side panel for additional warnings.

EPA Reg. No. 11214-10-AA Net Contents

READ ENTIRE LABEL BEFORE USING.
USE ONLY AS DIRECTED.

Target Diazinon 4 O.B. is an oil solution containing 4 lbs. of Diazinon per gallon. It is intended for use by pest control operators after diluting with insecticidal base oils for the control of those insects listed below. Target Diazinon 4 O.B. is not intended for use in the manufacture of finished products for resale.

NOTE: The solvent used in this formulation is a petroleum distillate which may stain certain plastic, rubber and asphalt materials such as tiles and floor coverings. Do not treat such materials. When used in dwellings, care should be taken to avoid deposits which could be frequently contacted by children. Do not allow children in treated areas until surfaces are dry. Do not contaminate food, food containers or cooking utensils.

DIRECTIONS FOR USE:

Do not use in commercial food preparation areas or in edible product areas of food processing plants.

TO CONTROL HOUSEHOLD INSECTS: Dilute Target Diazinon 4 O.B. with deodorized kerosene or other suitable base oil to make a ½% or a 1% Diazinon spray and apply as indicated below. Repeat application as necessary.

SPRAY DILUTION CHART

Gallons of Finished Spray	Amount of Target Diazinon 4 O.B. to use for ½% Spray	1% Spray
1	1.0 fl. oz.	2.0 fl. oz.
3	3.0 fl. oz.	6.0 fl. oz.
10	10.0 fl. oz.	20.0 fl. oz.
50	50.0 fl. oz.	100.0 fl. oz.

Two tablespoons = 1 fluid ounce

COCKROACHES, WATERBUGS, ANTS AND SILVERFISH

Make spot applications of ½% Diazinon as a coarse spray or apply with a paint brush to baseboards, areas around water pipes, cracks and crevices, surfaces behind and beneath cabinets, refrigerators, sinks, stoves and similar areas where these insects hide.

For heavy cockroach infestations, make the first application at a strength of 1% Diazinon, followed by monthly applications of ½% Diazinon.

CARPET BEETLES:

Apply a ½% Diazinon spray in spot applications along baseboards and edges of carpeting, under carpeting and rugs and furniture, in closets and on shelving, and wherever these insects are seen or suspected.

SPIDERS AND SCORPIONS.

Apply ½% Diazinon spray around windows, doors and along baseboards. Make spot applications to other areas over which these pests may crawl.

PANTRY PESTS: Exposed stages of Saw toothed Grain Beetle, Flour Beetle, Rice Weevil, Cigarette Beetle, Drugstore Beetle, Indian Meal Moth.

Apply a ½% Diazinon spray to shelves and cupboards where food containers suspected of being infested are stored. Remove all food and shelving paper before spraying. Do not replace the food packages until spray has dried. Cover shelves with shelving paper. This treatment is supplemental to good housekeeping, since it will have no effect on insects breeding in food packages. Infested food packages should be destroyed.

BROWN DOG TICKS IN BUILDINGS

Make thorough application of a ½% Diazinon spray to infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floor and floor covering. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

WARNING: KEEP OUT OF REACH OF CHILDREN

May be fatal if swallowed. May be absorbed through skin. Do not breathe spray mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. Avoid contamination of food and feed. Do not reuse empty container. Destroy by perforating or crushing and burying in a safe place.

This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME
