DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL WEED CONTROL: National Chemsearch HK 80 weed killer can be used to control most weeds for an extended period of time on non-cropland areas such as loading ramps, fence rows, railroad sidings, storage yards, parking lots, around buildings and industrial plant sites.

To control annual weeds and grasses such as foxtail, ryegrass, wildoats, crabgrass, cheatgrass, broomsedge, ragweed, lambsquarters and turkey mullein, dilute one gallon of National Chemsearch HK 80 weed killer to 2 gallons of water and apply the diluted spray to 500 square feet.

For hard to kill perennial weeds and grasses such as Johnson grass, salt grass, bouncing bet, bracken fern, horsetail, smooth broome, Canada bluegrass, purpletop, quackgrass, broomsedge, aster, dandelion, dog fennel, goldenrod, plantain and wild carrot, dilute one gallon of National Chemsearch HK 80 to 2 gallons of water and apply the diluted spray to 250 square feet.

NOTE: [illegible]

NOT INTENDED FOR HOUSEHOLD USE OR RESALE

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER

Corrosive. Causes eye and skin damage. Wear goggles or face shield and rubber gloves when handling.

Inhalation: Move to fresh air. Give supportive treatment if necessary. Try to avoid breathing of vapor or spray mist.

Skin: Avoid contact with skin. If contact does occur, wash skin thoroughly with soap and water. Wash contaminated clothing. If skin irritation occurs, contact a physician.

Eyes: Avoid, but, if contact does occur, flush eyes with water for 15 minutes. See a physician.

Ingestion: Treat symptomatically. If swallowed, do not induce vomiting. Call a physician immediately.

Environmental Hazards: This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Apply this product only as specified in this label. Do not contaminate water by cleaning of equipment or disposal of wastes. This product should be disposed of in a safe [illegible]
