WARNING: CONTENTS UNDER PRESSURE

Repels MOSQUITOES, House Flies, Sand Flies, Stable Flies, Eye Gnats

- HIGHLY EFFECTIVE
- PLEASANTLY SCENTED
- CONVENIENT
- NO SPILLAGE

SHAKE WELL BEFORE USING

TO OPERATE: Hold can upright and spray surface to be protected with a light mist. It is not necessary to wet surface. Hold nozzle about 12 to 18 inches from surfaces to be protected. Point spray opening away from face.

TO REPEL ABOVE INSECTS FROM CLOTHING: Treat eyelets of shoes, socks and areas around openings in clothing where insects may enter and on those areas of clothing (except rayon) that brush or rest on the ground. Spray as often as necessary.

TO REPEL ABOVE INSECTS FROM SKIN: Can be applied directly to skin in some cases, taking care to avoid spraying in the eyes, nose and mouth. When treating face, spray in palm of hand and the spread residue on cheeks, throat and other facial parts, except eyes and lips. Repeat all treatment as necessary.
