MOTH PREVENTIVE DIRECTIONS: Brush, clean, and air all articles thoroughly before storing. Use only where containers are air-tight. Closet doors should be kept tightly closed and sealed. Use one container of Aladdin paradichlorobenzene to every 50 cubic feet of space. Closets, chests, trunks, or other containers should be kept tightly closed at all times and for at least 7 days after addition of the chemical. If containers are opened occasionally replace used portion of Aladdin paradichlorobenzene and reseal container.
