PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Keep out of reach of children. Do not contaminate feed or feeding utensils. Cover or remove feed before spraying. Do not use on meat or dairy animals. Do not use on horses intended for human consumption. Wash hands after using and before eating or smoking.

ENVIRONMENTAL HAZARDS
This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS
Do not use or store near heat or open flame.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL
Do not reuse empty container. Wrap container and put in trash collection.

Farnam Horse Spray & Wipe-On may be sprayed or wiped onto horses coat for protection from biting flies. It will also impart a bright sheen to the animal's coat. During fly season best protection will be given by treating animals three to four times each week.

FOR USE AS A SPRAY Select a hand sprayer which will apply Farnam Horse Spray & Wipe-On as a fine mist or fog. Using one to two ounces per animal, spray lightly over the whole body except the face. Do not wet the animal's skin. For face area treat as a wipe-on application. After application, brush the coat to give overall even coverage and bring out sheen.

FOR USE AS A WIPE-ON Brush horse's coat to remove dirt and debris. Pour a small amount (approximately 1 ounce) onto a folded piece of turkish towelling (approximately 12" x 15") or an Applicator Mitt and wipe on going against the grain of the hair. Pay particular attention to face, neck, shoulders, shanks and legs. Do not wet the skin. After application brush the coat to smooth hair and bring out bright sheen.
