WOODBURY
CHEMICAL
COMPANY • St. Joseph, Mo.

CAUTION

Do not apply this product directly to or otherwise permit it to come into contact with any crop plant or ornamental plant (including but not limited to peanuts, soybeans, beans, peas, tomatoes, tobacco, cotton, melons, okra, sweet potatoes, peppers, celery, flowers, ornamentals, grapes, deciduous and nondeciduous fruit trees) and do not permit spray mist containing No. 4 Silvex to drift onto them, since even minute quantities may cause severe damage during both growing and dormant periods. Coarse sprays are less likely to drift. Application should be carried out only when there is no hazard from drift. Do not apply by airplane in the vicinity of any susceptible crops or ornamentals [illegible] as listed above. [illegible]
