CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Take special care to avoid contact with eyes, skin or clothing.
Do not breathe the dust or spray mist.
Wash clothing and gloves after use.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED Dilute by giving 2 glasses of water to drink and call a physician. Never give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN Emesis is recommended.

IF INHALED Move subject to fresh air.

IF ON SKIN Wash affected skin areas with soap and water. Consult a physician if irritation persists.

IF IN EYES Flush eyes with large amounts of water for at least 15 minutes. Consult a physician if irritation persists.

PROTECTIVE CLOTHING Use the following items of clothing when mixing this product:
Long sleeved shirts and long pants, preferably one piece coveralls that with brim, heavy duty fabric or rubber work gloves, and heavy duty leather or rubber boots. When mixing use an approved dust mask.

NOTE Consult manufacturer for formulation information and for technical bulletins.

ENVIRONMENTAL HAZARDS

Do not discharge into lakes, streams, ponds or public waters unless in accordance with an NPDES permit. For guidance contact your Regional Office of the EPA.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public water unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

STORAGE Store in a cool, dry place.

PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL. Return to Rohm and Haas Company.

STEPS TO BE TAKEN IN CASE MATERIAL IS RELEASED OR SPILLED Sweep up and place in containers for recovery or disposal. Keep dusting to a minimum. Wear MSHA/NIOSH respirator for dust encountered. Flush area with water. Keep spill out of all sewers and open bodies of water. SEE PROTECTIVE CLOTHING.

This product is intended for formulation into end-use herbicide products for uses listed on the Kerb 50-W herbicide label.
