PRECAUTIONARY STATEMENTS

Hazards to Humans **DANGER**

Corrosive to tissue. The concentrate causes eye and skin damage. Harmful or fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles and rubber gloves when handling. Avoid contamination of food. Do not use, pour, spill or store near fire or open flame.

FIRST AID: In case of contact immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing. If swallowed, do not induce vomiting, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available drink large quantities of water and call a physician immediately. Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.
