4816-412

DIRECTIONS

Apply powder liberally to body of animal, working in dust by rubbing against the lay of the hair until dust penetrates to skin. Repeat once weekly if necessary. Contact ticks with powder.

Do not treat kittens or puppies under four weeks of age.

For kennels and living quarters, dust bedding and floor at the rate of 1 ounce per 50 square feet of surface. Repeat as needed.

CAUTION: Harmful if swallowed or inhaled. Avoid contamination of feed and foodstuffs or inhalation of dust. Avoid contact with skin. Wash hands thoroughly after use.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse this container. Destroy by perforating or crushing and burying in a safe place.
