Total	100.00%

CAUTION: KEEP OUT OF THE REACH OF CHILDREN.

DIRECTIONS FOR USE:

Application Rate - One pound per 1,000 sq. ft. of lawn. Work or wash the chemical into the top four inches of soil.

To control Grubs and ants, sod webworms, wireworms cicada-killer, wasp and wild bees, army worms and [illegible] crickets.

WARNING: Avoid skin contact and inhalation. In case of spillage on skin, wash immediately with soap [illegible] water. Do not breathe vapor, fumes or spray mist. Avoid contamination to feed and food-stuffs. Do not contaminate fish ponds. Harmful if swallowed. Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

NOTE: Birds feeding over treated lawn may be killed.

ANTIDOTE: External: In case of spillage wash promptly with soap and water. Internal: Doses of one teaspoon mustard in a tumbler of water. Call a physician immediately.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

FOR PROFESSIONAL USE BY LAWN-AID DEALERS ONLY.
