DIRECTIONS

FASCO THIODAN 50-WP is a wettable powder insecticide concentrate for use in water base sprays against insects as directed below

Use contrary to these directions may cause serious plant, crop or personal injury, excessive residues, unsatisfactory control or other unintended consequences

IRISH POTATOES — Against Colorado Potato Beetle, Potato Flea Beetle, Potato Leafhopper, and Aphids, use 1 to 2 lbs per 100 Gals , not over 5 lbs of concentrate per acre. Apply when insects appear and repeat as needed up to harvest.

EGGPLANTS, TOMATOES, PEPPERS — Against Aphids, Colorado Potato Beetle, Green Stink Bug, Blister Beetle, Flea Beetle, and Whitefly on Eggplants and Tomatoes; Aphids and Flea Beetles on Peppers, use 1 pound (no more) per acre in sufficient water for good coverage. Apply when insects first appear and repeat as needed Spray plants thoroughly. Do not apply within 1 day of harvest

TOBACCO INSECTS — Against Flea Beetle, Hornworm, Budworm, Green Peach Aphid, and Cabbage Looper

TOBACCO SEEDBEDS — Use 1 pound per 100 gallons of water Apply about 6 gallons of spray per 100 square yards

FIELD — Use 1 to 2 pounds per acre in sufficient water for coverage Apply when insects first appear, repeat as needed Do not apply within 5 days of harvest

BROCCOLI, CABBAGE — Against Cabbage Aphids, Cabbage Looper, Imported Cabbageworm, and Diamond back moth larvae, use 1½ to 2 pounds (no more) per acre in sufficient water for good coverage Apply when insects first appear, repeat as needed Do not apply within 7 days of harvest

CUCUMBERS MELONS, SUMMER SQUASH WINTER SQUASH — Against Aphids, Cucumber beetles, and Squash vine borer, use 1 to 2 pounds, (no more) per acre in sufficient water for good coverage For vine borer apply weekly to flower buds, stems and vines beginning when moths first appear Apply against Aphids and Cucumber beetles when they first appear, repeat as needed Against Cabbage Looper, use 2 pounds (no more) per acre Apply when Loopers first appear, repeat as needed May be applied up to day of harvest

PEACHES — (Southern States) — Against Peach Tree Borer use 1½ lb. per 100 gallons of water Spray all bark areas from ground to scaffold limbs immediately after harvest and repeat 3-4 weeks later Do not allow animals to graze in treated orchards.

NOTE — The U.S Food and Drug Administration has set tolerances for pesticide residues. Crops having residues in excess of these permitted tolerances, should not be marketed and to do so may violate State law and violate Federal law when sold in interstate commerce Such crops should not be marketed without removal of such excess residues

WARNING

Hazardous if swallowed inhaled or absorbed through skin Do not breathe spray mist Do not get in eyes on skin or on clothing In case of contact immediately remove contaminated clothing and flush skin or eyes with plenty of water for min , get medical attention Wash thoroughly with soap and water after handling and before eating or smoking, wear clean clothing During commercial or prolonged exposure in spray mixing and loading operations, wear clean rubber gloves and a mask or respirator of a type passed by the U.S Department of Agriculture for Thiodan protection Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals Workers entering treated areas on the day of application should wear protective clothing Not for home storage in or around the home Do not reuse container Destroy when empty.

DANGER TO FISH AND WILDLIFE

This product is toxic to fish and wildlife Birds feeding on treated areas may be killed Keep out of any bodies of water Do not apply when weather conditions favor drift from areas treated Do not apply where runoff is likely to occur Apply this product only as specified on this label Do not contaminate water by cleaning of equipment or disposal of waste.

CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed

The manufacturer makes no other express or implied warranties concerning this product or its use which extend beyond the description on the label Read all directions carefully
