Directions For Use

Flies, Mosquitoes, Gnats Close room and discharge mist vigorously in all parts of room using 1 to 2 ounces for each 1000 cubic feet of space. Leave room closed for at least ten minutes. Sweep up and destroy fallen insects. Repeat as needed.

Fleas (Infesting Premises) Remove and destroy animals, bedding and spray sleeping quarters freely, forcing the spray into all cracks in the floor and about the room. Repeat when re-infested.

Roaches, Waterbugs Apply in all cracks and crevices in woodwork, underneath sinks, dark places behind pipes, and in all places where roaches and waterbugs infest, contacting as many insects as possible. Repeat the operation as often as necessary.

Clothes Moths Spray all articles to be protected, giving particular attention to folds and seams. Interior surfaces of storage containers such as closets, chests and trunks should be sprayed regularly. The treatment should be repeated every 30 days unless the articles are stored in moth tight containers.

Carpet Beetles Apply, thoroughly, to infested areas of carpet, localized areas of floors, baseboards and closet shelves, into cracks and under carpets wherepests may be found. Repeat application as often as necessary to maintain effective control.

Grain Weevils, Cadelles, Flour Beetles, Grain Mites (Accessible Stages) Wet surface thoroughly and treat all infested surface areas, insect runways and hiding places at the rate of 1 gallon of this material to 1000 square feet of area, or to the point of run-off. Repeat when necessary. Do not spray on grain. WHEN USED [illegible] ENCLOSED AREA DO NOT REMAIN IN AREA. VENTILATE AREA WHEN TREATMENT [illegible] COMPLETED.

CAUTION

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not apply directly to food. Do not apply while food processing is underway. Thoroughly wash with potable water all treated surfaces, processing surfaces, etc. that food will touch prior to re-use. In case of contact calls, of washing, do not allow food to come in contact with treated surfaces for at least 15 hours. Remove bird cages and fish bowls during spray application. Do not pour, store or spill near heat or open flame. Keep container closed.
