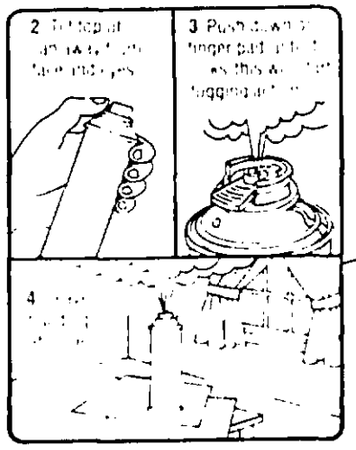
PREPARATION

1. COVER asphalt tile, waxed wood floors, and waxed furniture which may come in contact with the fog (newspapers may be used)
2. OPEN cabinets and doors to area to be treated
3. REMOVE pets, birds, articles made of cotton terry cloth, and cover fish aquariums before spraying
4. CLOSE outside doors and windows. Turn off fans and air conditioners. Extinguish all flames except pilot lights

TO OPERATE

1. Place Fogger on stand or table in center of room, placing several layers of newspaper or pad under Fogger



5 [illegible]

TO KILL FLEAS AND TICKS Remove and replace old pet bedding. Apply this product as for other insects. Put fresh bedding in pet's quarters after treatment. Treat dogs and cats with a registered flea and tick control product before allowing them to enter

texize No-Pest
