LYNDE
TRIPLE DUTY CONCENTRATE
CONTAINS [illegible] EMULSIFIABLE PREMIUM GRADE MALATHION

F[illegible] USE IN BOX CARS, BIN AND ELEVATORS, DRY MILK PROCESSING PLANTS
OUT-DOOR MOSQUITO CONTROL (Mist Blowers)

Contains 5 pounds per gallon of
[illegible] TOTAL GROSS MALATHION

ACTIVE INGREDIENTS:
Malathion 56.40%
Petroleum [illegible] Solvent.... .....[illegible]
[illegible] .....[illegible]

*O,O-Dimethyl Phosphorodithioate of diethyl mercaptosuccinate
[illegible] Malathion [illegible] of [illegible]

Directions

As a residual spray for the control of confused flour beetles, rice weevil, granary weevil, saw-toothed grain beetle, flat grain beetle, red flour beetle, rusty grain beetle, lesser grain borer, Indian meal moth, and mites. Apply as a residual spray on walls, floors, in grain elevators, bins, grain trucks, box cars and ships holds before loading grain. Clean area to be treated and remove and burn all sweepings and debris before spraying. Use 1 gal. of Concentrate to 25 gal. water. All cracks and crevices should be sprayed thoroughly.

Dry Milk Processing Plants-For the prevention and [illegible] the reduction of infestations of black carpet beetles and Drugoderus [illegible]-Use one pint of Concentrate in 25 gal. of water, applying as a coarse spray. Repeat as necessary. Applications to be made by experienced or trained personnel.

Out-door Mosquito Control- For use in [illegible] Blowers [illegible] Rotomist, Buffalo Turbine, [illegible], etc. To make 100 gal. of finished [illegible] spray use 1 gal. of concentrate in 98 gal. of water. In open areas effective mosquito control can be obtained by applying the 1% spray at 50-1[illegible] gal. per [illegible], covering a swath [illegible] of 200 ft. at vehicle speed of 3-5 miles per hour. Spray mists may cause spotting of automobile paint finish if prolonged exposure is permitted. This should not be sprayed directly [illegible] available in event of accidental exposure.

CAUTION
KEEP OUT OF
REACH OF CHILDREN

[illegible] may [illegible] or vapor. [illegible] before spraying [illegible] irritation. [illegible] not cook in [illegible] equipment, [illegible] before spraying. [illegible] not [illegible] or [illegible]. [illegible] unprotected [illegible] operating area or [illegible] there may be [illegible] or [illegible]. [illegible] collection, [illegible] of equipment or disposal [illegible] containers. [illegible] containers. [illegible] cold [illegible], [illegible] and crushing [illegible] to professional disposal reconditioner.
Do not store or use near heat or open flame.
