FLEAS • CARPET BEETLES • CRICKETS

LONG LASTING RESIDUAL SURFACE SPRAY

NET WT.
15 U.S. OZ.

Curtis
QUALITY PRODUCT

EPA NO. 4972-15

GENERAL: Spray surface to wetting. Point spray away from people, plants and pets. Do not use as a space spray. Use only for spot treatment.

TO KILL ANTS, ROACHES, CRICKETS, SILVERFISH, SOWBUGS, SPIDERS AND EARWIGS: Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and around waste containers. Contact directly as many insects as possible. For ants, spray trails and places where ants enter premises. Repeat as necessary for control.

TO KILL BROWN DOG TICKS AND FLEAS: Remove and destroy old bedding. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as necessary. Fresh bedding should be placed in animal quarters after spray has dried. Do not spray animals.

TO KILL CARPET BEETLES AND DERMESTIDS: Spray along baseboards, edges of carpeting, under carpets and rugs, under furniture, in closets, on shelving, and in other places of harbourage. Repeat as necessary.

CAUTION: [illegible]

May be harmful if swallowed, inhaled or absorbed through skin. Avoid inhalation of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes and clothing should be avoided. Wash thoroughly with soap and water after handling. Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Remove pets and cover fish bowls before spraying. If poisoning occurs, get prompt medical aid.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

WARNING: Flammable! Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.
