PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Do not breathe spray mist. Wear mask or respirator of a type recommended by the U.S. Bureau of Mines to give adequate protection against this material. Wash hands, arms and face with soap and water after handling and before eating or smoking. Wash all contaminated clothing with soap and water before reuse.

ENVIRONMENTAL HAZARD

"Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters."

PHYSICAL HAZARD

Keep container closed. Do not pour, use, spill or store near or open flame.
Do not contaminate water, food or feed by storage or disposal.
Container Disposal: Triple rinse or equivalent then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

DIRECTION FOR USE

It is a violation of Federal law to use this product in a manner inconsistant with its labeling. Do not remain in treated areas. Ventilate the area thoroughly before re-entry. In hospitals, patients should be removed from rooms prior to treatment. Rooms should be ventilated for 2 hours after spraying. Do not return patients to room until after ventilation. Remove pets, birds and cover fish aquariums before spraying.

ENTECH
