LAWN [illegible]: LAWN AND TURF FOOD PLUS DURSBAN® 15-5-10 is a complete lawn and turf food which contains the primary nutrients as well as zinc, magnesium, iron and sulfur, and is formulated to give dependable results for turf. For best results set the spreader to deliver the recommended rate and apply the material evenly over the area to be treated by making at least two passes at right angles. Then apply the rest of the material evenly over the same area, making a right angle to the first application. This will insure 24,000 sq. ft.
