POOL STARTUP AND HEAVY BATHER LOAD [illegible]

DIRECTIONS: [illegible]

NOTE: [illegible]

DANGER: [illegible]

Strong oxidizing agent. Use only with large quantities of water. Mixing tablets with organic materials or baking soda, other pool chemicals may result in fire or explosion. Will bleach most fabrics and materials. Keep in a cool, dry place. Keep container tightly closed. Do not store near heat and moisture. Store away from other chemicals. Do not place tablets in storage containers with other chemicals along. In case of fire, if possible isolate and remove unaffected stock and flood with water.

FIRST AID: [illegible]
