DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control COCKROACHES, ANTS and SILVERFISH apply liberally, scattering under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, into openings around drains, water pipes and electrical conduits, and in cracks and crevices along baseboards and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chests of drawers, then scatter liberally in drawer areas. Any powder visible after application must be brushed into cracks and crevices if desired.

Reapply as necessary. Keep fresh, dry and uncontaminated.

The contents of this package are sufficient to treat an average three bedroom home of 1500 square feet.

If applied as directed, the treated facility will be under control for up to three weeks. To maintain control reapply as necessary.

WARRANTY

If PIED PIPER ROACH CONTROL is used according to the directions on the label and the user is not satisfied, return the empty container along with proof of purchase to the business where purchased for a complete refund of the purchase price.
