THE NAVAJO NATION
T.J. & R.S.P.
P.O. BOX 151
LUPTON, ARIZONA 86508

To: David Albright,

We live along the New Mexico, Arizona line along the Rio Puerco which flows west from New Mexico into Arizona. We recall the Uranium Tailings Spill of July 17, 1979. We are opposed to any Uranium mining in Church Rock, N.M. area or any Uranium mining on Navajo Reservation. Pollution damage has been done to air, land & water and people.

Rikki S. Padilla
