6/1/2012 FLOOD PLAIN IMPACTS MEETING W/
MIKE KEEGAN, SCOTT MICHALAK & MIKE BACHAND (CORPS)

- CORPS IS CONCERNED ABOUT IMPACTS TO THE 100-YEAR FLOODPLAIN ASSOCIATED WITH THE ~27.33 ACRE-feet OF LOST FLOOD STORAGE WITHIN NEW BEDFORD HARBOR ASSOCIATED WITH THE SOUTH TERMINAL CDF.

- CORPS RECENTLY HAD FEMA RECERTIFY THE NEW BEDFORD HURRICANE BARRIER AT A COST OF NEARLY $1,000,000.

- JUST BECAUSE THE CORPS DID NOT REQUIRE FLOODPLAIN MITIGATION FOR CDF WORK ASSOCIATED WITH THE SUPERFUND does mean that we not REQUIRE WORK FOR NEW WORK.

- NOT SURE IF THERE IS ADEQUATE CONNECTION TO REQUIRE FLOOD PLAIN MITIGATION.

→ ORIGINAL AGREEMENT FOR NEW BEDFORD HURRICANE BARRIER DOES NO SPECIFY FLOOD FLOWAGE ELEVATION. THE CORPS DOES NOT OWN SPECIFIC AREAS WITHIN THE HARBOR
