7/2/12 Telecon Gary Davis

1) I ask Q about mitigation - will they do larger amount irrespective of whether they do additional a

Gary - not sure how it's all going to be sequenced... a lot still up in the air. Important to provide K'er with the scope Some of the work along w/ corresponding mitigation will be an add/alt. So need to be careful about

Possible that the mitigation will be done in 2 phases - just doesn't know yet. He'll talk further w/ Chet & Jay & get back to me Tues or Thurs.

2) ~~[illegible] wetland pockets according to Gary~~
they will disagree it's jurisdictional
will also argue the mitigation offered so far is more than adequate
I ~~will~~ ask for estimate of the total acreage of the 2.
He'll get back to me Tuesday or Thursday
