SUBJECT: NUS Reports on New Bedford Harbor
DATE: July 24, 1986

Attached are copies of the following NUS reports:

1. Review of Previous Studies & Recommendations for Additional Investigations - New Bedford Municipal Landfill - FINAL

2. Investigation of and Ranking of Potential In-Harbor Disposal Sites DRAFT.

With regard to 1) the next step is to have the site reviewed for possible designation as a separate Superfund site. I will initiate this shortly. No comments are needed on this report

With regard to 2) initial comments were already sent to NUS by EC Jordan. If you have any comments I will need them ASAP if they are to be considered.

Thanks.
