Dear Mr. Roy:

Subject: Request for Additional Clarification or Information Pertinent to Proposed New Source Performance Standards for the Polymers Manufacturing Industry

Eastman Chemicals Division, a division of Eastman Kodak Company, provides the enclosed information in response to your request for additional clarification and information on the following items: (1) emergency vent streams, (2) detailed definition of the materials recovery process used in the poly(ethylene terephthalate) (PET) process, (3) our experience in operating refrigerated condensers in the PET process, and (4) the VOC destruction capabilities of pressure (kinetic) flares.

TENNESSEE EASTMAN COMPANY • KINGSPORT, TENNESSEE 37662
A Division of Eastman Kodak Company

We thank the Agency for allowing us to comment on the proposed NSPS which may impact our operations. Eastman Chemicals Division is supportive of EPAs efforts to develop standards that are technically sound and cost effective and which achieve desired regulatory goals. If additional information is required please contact Mr. A. S. Vaughan at (615) 229-3621.

Yours very truly,

D Quisenberry
