Comments:

- a. This application is for new registration of "me-too" substantially similar product to EPA Reg. No. 524-3
- b. Confidential Statement of Formula dated 4-1-93 is in compliance with PR Notice 91-2, it agrees with the label claim the nominal concentration and is acceptable.
- c. Product chemistry data is in compliance with 40 CFR part 158.155 through 158.190 and would be acceptable except for Guidelines Ref. No's 63-5 - Melting point, 63-14 - Oxidizing reducing action, 63-15 - Flammability and 63-16 - Explosibility, for these data was not submitted and it should be submitted.
- d. In the proposed label statement "wt 300 lbs" should be changed to "Net weight 300 lbs"

In storage and disposal instructions the statement "Do not contaminate water, food, or feed by storage or disposal" should be placed directly below the Storage and Disposal heading. And container and pesticide disposal instructions should be grouped under the appropriate headings "Pesticide Disposal" and "Container Disposal".
