MEMORANDUM

SUBJECT: Folpet Briefings scheduled for February 12 and 17, 1987  
TO: Addressees  
FROM: Valerie M. Bael, SRB

I have been asked to brief both Doug Camp and Dr. Moore on the issue of whether to initiate a Special Review on Folpet. The Camp briefing will be held on February 12th at 1:30 in Mr. Camp's office. The briefing for Dr. Moore will be held on February 17th at 2:30 (location to be announced). All team members are asked to attend both briefings. If you have any scheduling conflicts, please contact me before February 11th (Wednesday) as I will have to line up an alternate.

After the Moore briefing, Mark Boodee will be taking over as review manager for the Special Review of Folpet. He will be contacting each of you shortly concerning future scheduled team meetings. It has been a pleasure working with each of you on this project.
