PETROLEUM DISTILLATES 99.72%
TECHNICAL PIPERONYL BUTOXIDE 0.23%
PYRETHRINS 0.05%
EQUIVALENT TO BUTYLCARBITYL 6-PROPYL PIPERONYL ETHER 0.184% AND RELATED COMPOUNDS 0.046%

CAUTION: Keep out of reach of children.

See other warnings on back panel.

Manufactured by BRADFORD MANUFACTURING CO., Jackson, Tennessee

DIRECTIONS:

FLIES, MOSQUITOES, GNATS: Close windows and doors and direct spray toward ceiling. Fill room with mist and leave closed for fifteen minutes. Repeat as needed.

BEDBUGS: Take bed apart and spray liberally the joints, slats, rails, bed springs and mattress. Also spray wall cracks, baseboards and other hiding places about the bedroom. Repeat as needed.

ANTS: Spray so as to wet as many insects as possible, especially on nests and runways. Repeat as needed.

CLOTHES MOTHS, CARPET BEETLES: Spray on all fabrics to be stored, especially on seams and folds. Spray inside storage places thoroughly. Repeat treatment twice a month.

SILVERFISH: Spray infested areas thoroughly. Direct spray behind baseboards, into cracks and crevices and all hiding places. Repeat as needed.

SPIDERS: Spray infested areas thoroughly especially spider webs, striking the spiders directly with the spray whenever possible. Repeat as needed.

CAUTION: Harmful if swallowed. Keep out of reach of children. Do not spray or store near fire or flame. Cover or remove exposed food while spraying. Remove pets, birds and fish bowls from room before spraying.

U. S. D. A. Registration No. 58-10
