## 30 Gallons

U.S. Standard Measure

### DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

**IMPORTANT:** Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product.

#### Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffective control of target weeds, and other risks may result because of such factors as weather conditions, presence of other materials, or the manner of use or application of this product. Beyond the control of CIBA-GEIGY or the Seller, A. Such risks shall be assumed by the Buyer.

CIBA-GEIGY warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. **CIBA-GEIGY makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall CIBA-GEIGY or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product.**

CIBA-GEIGY and the Seller of this product and the Buyer and user accept, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CIBA-GEIGY.

#### Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with directions.

Do not use near desirable trees or shrubs. Do not use near greenhouses or other structures.

Do not use near desirable trees or shrubs. Do not use near greenhouses or other structures.

Do not use near desirable trees or shrubs. Do not use near greenhouses or other structures.

### Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal. Open dumping is prohibited. Pesticide spray mixture or other material that is spilled or otherwise released should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

This is a flammable container. If this container is to be refilled, do not use with any material or introduce any pesticide other than Ontrack 8E. Refill and return the container to an authorized CIBA-GEIGY refilling facility. If the container is not to be refilled, it must be properly disposed of in an incinerator or other approved pesticide container disposal facility. Do not use for disposal in a safe place. Consult federal, state, or local disposal regulations for additional information. Do not use for disposal in a safe place. Consult federal, state, or local disposal regulations for additional information.

This product may be stored at temperatures down to 30 degrees below 0°F.

### Precautionary Statements

#### Hazards to Humans and Domestic Animals

##### WARNING

The active ingredient metolachlor may cause skin sensitization reactions in certain individuals. Wear protective clothing while handling or using this product. Causes skin and eye irritation. Do not get in eyes, on skin, or on clothing. May be fatal if inhaled. Do not breathe spray mist.

Harmful if swallowed or absorbed through the skin. Wash thoroughly after handling. Avoid contamination of food.

**First Aid:** In case of contact, immediately wash eyes and or skin with plenty of water for at least 15 minutes. Call a physician. Remove and wash contaminated clothing before reuse.

#### Environmental Hazards

Keep out of any body of water. Do not allow when runoff occurs. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from treated areas.
