NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Add the phrase "EPA Registration No. 121-70" to the label prior to releasing the product for shipment.

3. Include the following statements within the **PRECAUTIONARY TEXT** section of the product label:
Do not apply to excessively sunburned skin.

4. Revise the statement "Do not apply to skin under clothing or to..." to read as follows:

Do not apply to skin under clothing. Do not apply to the eyes and mouth, and do not apply to the hands of young children.

5. Include the following text within the **DIRECTIONS FOR USE** section of the product label:

Use just enough repellent to cover exposed skin and clothing. Avoid overexposure.
