OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

July 5, 2017

Christina Griffin, Agent for
Senoret Chemical Company, Inc
c/o Delta Analytical Corporation
12510 Prosperity Drive, Suite 150
Silver Spring, MD 20904

Subject: Amended Reregistration Label/Label Amendment
Product Name: Terro Stink Bug Killer
EPA Registration Number: 149-15
Application Date: 12/19/2016
Decision Numbers: 524788, 435954, 413770, 411187

Dear Ms. Griffin:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable. The Agency, has also completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the PBO, tetramethrin and permethrin REDs, and has concluded that your submission is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

NOTE: This product is **not** yet being reregistered under section 4(g) of FIFRA.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 2/2/2011
- Alternate CSF 1, dated 2/2/2011
- Alternate CSF 2, dated 2/2/2011
- Alternate CSF 3, dated 2/2/2011

A copy of your label stamped "Accepted" is enclosed. This labeling supersedes all previously accepted labeling. Products shipped after 12 months from the date of this amendment or the next printing of the label, whichever occurs first, must bear the new revised label. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product

would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions about this letter, please contact Autumn Metzger at 703-305-5314 or Metzger.autumn@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kable Bo Davis', enclosed within a hand-drawn oval.

Kable Bo Davis, Product Manager 4

TERRO® STINK BUG KILLER

- Contains Synergized Permethrin and Tetramethrin
- Provides Quick Killing Action and Residual Control
- Use Indoors and Outdoors
- Use Indoors
- Use Outdoors
- Kills Ants (except fire ants, pharaoh ants, carpenter ants, and harvester ants)
- Kills on Contact – Kills Fast
- Kills Hidden Bugs
- Kills Bugs You See and Even the Ones You Don't
- A broad spectrum insecticide highly effective against Ants (except fire ants, pharaoh ants, carpenter ants, and harvester ants), Carpet Beetles, Crickets, Earwigs, Firebrats, Flour Beetles, Grain Beetles, Ground Beetles, Millipedes, Mole Crickets, Moths, Pillbugs, Silverfish, Sowbugs, Spiders (except black widow spiders, brown recluse spiders, and hobo spiders), Stink Bugs-and many other listed crawling insects
- Water-Based Formula
- Non-Staining
- No Oily Residues
- No Unpleasant Odors
- Protects for up to 4 weeks
- [Also] Kills Stink Bugs
- [Also] Kills [Multicolored] Asian Lady Beetles [Lady Beetles][Lady Bird Beetles]

ACTIVE INGREDIENTS:	
Tetramethrin.....	0.20%
Permethrin*.....	0.50%
Piperonyl Butoxide**.....	1.00%
OTHER INGREDIENTS:	<u>98.30%</u>
TOTAL	100.00%

**Cis/trans* ratio: min. 35%(+/-) *cis* and max. 65% (+-) *trans*.
**(butylcarbityl)(6-propylpiperonyl) ether and related compounds.

PRECAUCION AL USARIO: Si usted no lee ingles, no use este producto hasta que la etiqueta le haya sido explicada amplimente.
(TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.)

PRECAUTIONARY STATEMENTS

Hazard to Humans & Domestic Animals

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID	
If on skin or clothing:	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
If swallowed:	<ul style="list-style-type: none">• Immediately call a poison control center or doctor.• Do not induce vomiting unless told to do so by a poison control center or doctor.• Do not give any liquid to the person.• Do not give anything by mouth to an unconscious person.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies, or pesticide concerns, call your poison control center at 1-800-222-1222.	

Environmental Hazards

This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not apply directly to or near water, or to areas where surface water is present, or to inter-tidal areas below the mean high water mark. Drift and run-off may be hazardous to aquatic organisms in water adjacent to treated areas. This product may contaminate water through runoff. This product has a potential for runoff for several weeks after application. Poorly draining soils and soils with shallow water tables are more prone to produce runoff that contains this product. Do not contaminate water when cleaning equipment or disposing of equipment washwater or rinsate. This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are foraging the treatment area.

Physical and Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not use on surfaces that may be harmed or stained by water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Terro® Stink Bug Killer [This product] provides effective control of listed pests in and on buildings, structures and their immediate surroundings. Permitted areas of use: apartment buildings, homes, and private residences.

Use Restrictions

Do not allow adults, children, or pets to enter the treated area until sprays have dried. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying. Do not apply as a broadcast or spot-treatment to indoor surfaces at residential sites or sites including nurseries, day care centers, schools, hospitals, and nursing homes.

Do not apply directly to sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur, except as directed by this label.

Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods area served such as dining rooms but excluding areas where foods may be prepared or held.

In residential areas, cover all food handling surfaces and cover or remove all food and cooking utensils or wash thoroughly after treatment. Do not apply where food is present. Terro® Stink Bug Killer [This product] may be used as a crack and crevice treatment or as a spot application in commercial non-food/feed areas. All areas where insects hide or through which insects may enter should be treated.

Do not apply directly to sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur, except as directed by this label.

[MASTER LABEL – BACK PANEL (Page 2 of 3)]

Remove pets and cover fish aquaria before spraying. Prevent re-entry of dogs and cats into treated area until spray deposits are dry.

Indoor Use:

CRACK & CREVICE INJECTION: Hold container upright and tilt extension tube to a 90° angle with can and inject into cracks and crevices where insects may be hiding, living and breeding. Place injection tip ½ inch into cracks, crevices, holes and other small openings where insects may be a problem. Release a one-second spray per spot. In serious infestations, if possible, place spots approximately 12 inches apart. In light infestations or for preventative treatment, place spots approximately three feet apart. In long running cracks, move the injector tip along the crack while spraying. Move at the rate of one linear foot per second in heavy infestations and three feet per second in light infestations. See the additional directions below for effective control of specified insects.

[To kill] Ants (except fire ants, pharaoh ants, carpenter ants, and harvester ants), Booklice, Boxelder Bugs, Crickets, Dermestids, Firebrats, [Multicolored] Asian Lady Beetles [Lady Beetles] [Lady Bird Beetles] Silverfish, Stink Bugs, and Sowbugs: Apply as a spot or crack and crevice treatment. Apply thoroughly to all areas where these pests crawl and hide, especially in cracks and crevices, and hidden surfaces around sinks and storage areas, behind baseboards, around doors and windows, behind and under refrigerators, cabinets, sinks and stoves, the underside of shelves, drawers, bookcases and in similar areas.

Spiders (except black widow spiders, brown recluse spiders, and hobo spiders): Apply along and behind baseboards, to window and door frames, corners, pipes, storage localities, attics, crawl spaces and other areas over which these pests may crawl.

Earwigs, Ground Beetles, Millipedes, Mole Crickets, [Multicolored Asian Lady Beetles [Lady Bugs] [Lady Beetles] [Lady Bird Beetles] Pillbugs, Sowbugs, and Stinkbugs: Apply around doors and windows and other places where these pests may enter premises. Treat baseboards, storage areas and other locations where these pests are found.

PANTRY PESTS - Grain Beetles (Rusty, Merchant and Saw-toothed), Flour Beetles (Red and Confused), Chocolate Moths, Cigarette Beetles, Clover Mites, Cluster Flies, Drugstore Beetles, Elmleaf Beetles, Rice Weevils, Lesser Grain Borers, Spider Beetles and Tobacco Moths: Treat exposed stages. Remove all foodstuffs, utensils and shelf paper from area to be treated. Discard used shelf paper and any infested foodstuffs. Apply spray to shelves and in cracks and crevices behind and under cupboards and cabinets. Allow spray to dry prior to replacement of food and utensils.

Carpet Beetles (Black, Furniture and Varied): Spray on and under edges of floor coverings, under rugs and furniture and in closets or other localities where these insects are found. Do not apply as a broadcast or spot-treatment to indoor surfaces at residential sites or sites including nurseries, day care centers, schools, hospitals, and nursing homes.

Webbing Clothes Moths: Use this product as a crack and crevice treatment in closets and other storage areas where these pests are found. This is an adjunct treatment and will not control moth larvae already on clothes. Do not apply to clothing.

Outdoor Use:

Ants (except fire ants, pharaoh ants, carpenter ants, and harvester ants): Spray freely around ant trails, doors and windows and other places where ants enter premises, around nests hidden under steps, brickwork, concrete, etc. Break apart accessible nests and spray freely on and around debris.

PESTS ON OUTSIDE SURFACES OF BUILDINGS: For control of building infestation due to **Ants (except fire ants, pharaoh ants, carpenter ants, and harvester ants), Clover Mites, Crickets, Earwigs, Millipedes, [Multicolored Asian Lady Beetles [Lady Bugs] [Lady Beetles] [Lady Bird Beetles] Stink Bugs and Sowbugs (Pillbugs):** Spray foundation of building where insects are active and may find entrance up to a height of 2 to 3 feet. Apply as a residual spray to outside surfaces of buildings where insects tend to congregate. Spray areas include (but are not limited to) screens, window frames, eaves, porches, patios, garages and refuse dumps.

Application Restrictions for Outdoor Use

Do not water the treated area to the point of run-off.
Do not make applications during rain.

Do not wet plants to the point of runoff or drip. All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses: (1) Treatment to soil or vegetation around structures; (2) Applications to building foundations, up to a maximum height of 3 feet. Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack-and-crevice applications, only. Not for use in outdoor residential misting systems.

[OPTIONAL USER INSTRUCTIONS]

[See reverse side for directions]

[Read full label before applying]

[Follow Crack & Crevice Injection directions on can.]

[Use of this product is subject to the use precautions and limitations imposed by the label affixed to the can.]

[MASTER LABEL – BACK PANEL (Page 3 of 3)]

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Do not store near heat or open flame. Store in cool dry area away from children.

Pesticide Disposal and Container Handling: Do not puncture or incinerate! If empty: Offer for recycling if available or place in trash. **If partly filled:** Call your local solid waste agency for disposal instructions.

[Master label note, not part of labeling: Product must bear a batch code; may be placed anywhere on label or container.]

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Senoret Chemical Company, Inc. All such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: SENORET CHEMICAL COMPANY, INC.
