TO USE AS DUSTER

Punch-out lid liner. Hold container in horizontal position and squeeze container. Changing position of container varies amount discharged.

FOR BEST RESULTS

1. Apply dust to underside as well as top of all plants. Treat when pests first appear. Repeat if needed per directions and cautions.
2. Apply dust until a light film appears on all surfaces of treated plants.
3. READ CAUTIONS ON USAGE OF PRODUCT.
4. After application, wash all exposed skin surfaces with soap and water.
5. Remove cap and pour into duster when using refill container.

CAUTIONS

Harmful if swallowed or inhaled.
 Do not take internally.
 Avoid breathing dust.
 Avoid contact with skin.
 Wash thoroughly after handling.
 Change contaminated clothing daily.
 Avoid contamination of feed and foodstuffs.
KEEP OUT OF REACH OF CHILDREN.
 This product toxic to fish.
 Keep out of any body of water.
DO NOT REUSE CONTAINER. Destroy when empty.

ROSE & FLOWER DUST

INSECTICIDE • MITICIDE • FUNGICIDE

BULB TREATMENT

AFTER DIGGING AND STORAGE PREPARATION: Clean bulb or rhizome of dirt and debris. Prepare storage according to State Agricultural Experiment Station of State Extension Service Specialist. Apply a light film of ROSE & FLOWER DUST to all areas of bulb or rhizome for protection against over wintering fungus of gray mold disease and stem storage rot on Dahlias, Tulips, and Gladiolus.

NON-WARRANTY: Manufacturer or seller is not liable for any injury or damage caused by this product due to misuse, mishandling or any other application not specifically recommended on this label.
