SUBJECT  
NO ATTACHED COMMENTS

### GENERAL DIRECTIONS

3% CIODRIN Insecticide is a specially prepared ready-to-use livestock dusting powder suitable for use in conventional hand and power dusters and dust bags. No withdrawal is necessary when used on meat animals. 3% CIODRIN is approved for lactating dairy animals. Do not treat calves under 6 months of age. Brahman cattle should not be treated as they may show hypersensitivity to organic phosphates.

### USE DIRECTIONS

**DAIRY AND BEEF CATTLE:** To control horn flies, apply 1-2 heaping tablespoonfuls (1-2 oz.) to the backline, poll, neck and upper portions of the sides. For lice, apply thoroughly by rubbing the dust into the hair. Repeat application not more than once in 14 days for hornflies and 3-4 weeks for lice. For aid in controlling face flies, apply dust lightly, but thoroughly, to the face and neck areas as required.

**SWINE:** To control lice, apply 1-2 oz. as thoroughly as possible with attention to the neck and around the ears. Repeat in 3-4 weeks if necessary.

### DUST BAG - ANIMAL DUSTING STATION

**DAIRY AND BEEF CATTLE:** For control of horn flies and as an aid in the control of lice and face flies, 3% CIODRIN Insecticide Dust may be applied daily when application is made with dust bags. To prepare dust bags for animal use, place 4-8 pounds of dust in double burlap bags. Suspend bags near mineral or salt blocks, in alleyways leading to and from animal buildings or dairy barns. Dust bags may also be suspended in livestock holding pens, feed lots and loafing sheds. Protect bags from weather by placing them under shelter.

### NOTICE OF WARRANTY

SHELL CHEMICAL COMPANY MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PURPOSE, OR OTHERWISE, EXPRESS OR IMPLIED, concerning this product or its uses which extend beyond the use of the product under normal conditions in accord with the statements made on this label.

### PRECAUTIONS

201-162

**CAUTION: KEEP OUT OF REACH OF CHILDREN.** Avoid inhalation of dust and contact with skin. In case of contact with skin or eyes, flush with plenty of water; for eyes get medical attention. Keep away from open flame. Wash thoroughly with soap and water after handling and before eating or smoking.

This product is toxic to fish, birds and wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**DESTROY USED CONTAINERS.** Do not re-use for any purpose. Destroy container by burning or burying in an isolated area. If burned, keep out of smoke.
