INSECTICIDE
DEODORANT

INSECTICIDE and DEODORANT

One insecticide unit and one deodorant unit attached to the underside of the lid of an average size garbage can will control flies, ants, gnats, roaches and mask unpleasant odors, for up to three months. Keep the lid or the garbage can. Do not open foil envelopes until ready to use.

DIRECTIONS FOR USE

1. Use enclosed sandpaper to thoroughly sand two flat portions of underside of plastic or metal lids, both new and used, where holders are to be placed.
2. Wipe sanded areas only, using a clean, dry rag or paper towel.
3. Remove units from envelopes by cutting along bottom and insert units into grooves of holders.
4. Peel paper covers from adhesive backing on holders. Do not touch adhesive after removing paper covers.
5. Use palm of hand to firmly press assembled holders to sanded areas on lid. Apply pressure for at least ten seconds. Do not change position of units once contact is made.

ACTIVE INGREDIENTS (INSECTICIDE UNIT): 2,2-dichlorovinyl dimethyl phosphate, 19.2%^{*}; related compounds, 0.8%^{*};

INERT INGREDIENTS: 80.0%w; Total 100.0%w. ^{*}Equivalent to 20.0%w Technical VAPONAT[®] Insecticide

CAUTION: KEEP OUT OF REACH OF CHILDREN (INSECTICIDE UNIT)

Do not get in mouth; harmful if swallowed. After prolonged storage, a small amount of liquid may form on the unit. Do not get liquid in eyes. Wash hands thoroughly with soap and water after handling. Do not place in hospital or clinic rooms, such as patient rooms, wards, nurseries, operating or emergency areas. Do not use in any room where infants, the sick or aged are or will be present for any extended period of confinement. Do not use in kitchens, restaurants or areas where food is prepared or served.

E. P. A. Reg. No. 201-327 AA

SHELL CHEMICAL COMPANY, A Division of Shell Oil Company, SAN RAMON, CALIFORNIA 94583

Use of the packaged insecticide product is licensed under Shell's U.S. Patents 2,956,073, 3,116,201 and 3,318,769 for use as an insecticide generator only. Not to be taken internally by humans or animals.
