Serving Agriculture from Coast to Coast

NITROGEN DIVISION
40 RECTOR STREET, NEW YORK, N. Y., U. S. A.

DIRECTIONS

The following general directions are supplied by us gratuitously and are believed to be reliable, but are in no way guaranteed.

For filling baited traps to be used for control of ants, use 1/8 to 1/2 ounce of paste per trap.

For baited traps to be used for control of roaches, use 1/2 to 3/4 ounce of paste per trap.

WARNING

Hazardous if swallowed or absorbed through the skin.

Do Not get on skin, in eyes, or on clothing.

Wash with soap and water after using and before eating or smoking.

Wash contaminated clothing before re-use.

Do Not contaminate feed or foodstuffs.

Keep out of reach of children and domestic animals.

NOTICE: This product is licensed for use only in accordance with the instructions on the label and not for the formulation of other pesticidal compositions.

Seller makes no warranty of any kind, express or implied, concerning results obtained by the use of this material. Buyer assumes all risk of use or handling whether or not in accordance with any suggestions, recommendations or directions of seller.
