NET CONTENTS 1 QUART LIQUID

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

KEEP PESTICIDE IN ORIGINAL CONTAINER. DO NOT PUT PRODUCT OR DILUTE INTO FOOD OR DRINK CONTAINERS.

ORTHO Fly Spray is a specially formulated ready to use space type fly spray containing Pyrethrum, Piperonyl Butoxide, Thanite and Methoxychlor. This material is a contact insecticide that has fast knockdown and high killing power when used as directed. It is suitable for use in homes to control listed pests, as well as for use in restaurants and food processing plants.

DIRECTIONS: Apply this product as a fine, mist type space spray with a convenient atomizer type sprayer. Coarse droplets must be avoided. No dilution is necessary. Keep away from food surfaces or containers. Avoid food contamination. Do not apply in the edible products areas of food processing plants.

BUILDINGS (Such as Homes, Restaurants, Food Processing Plants)

Flies, Mosquitoes, Gnats: Close all doors and windows where possible, then spray all parts of the room thoroughly. Use approximately 2 ounces of ORTHO Fly Spray to each 1000 cubic feet of space. Direct the spray toward the ceiling and upper areas of the building concentrating on beams, rafters and other areas where flies congregate. Doors and windows may be opened after 10 to 15 minutes. Treat daily or as required. Do not use in Food Processing Plants when the plant is in operation. Food and food processing surfaces should be removed or covered during treatment. Do not remain in treated areas and ventilate the area after treatment is completed.

Ants, Roaches, Fleas, Silverfish: Direct spray along runways, baseboards and other places where these insects congregate. If possible, spray directly on insects themselves. Also treat behind shelving, bookcases and storage areas. **Fleas:** Spray floors, rugs, animals' sleeping quarters and other areas. Do not use in commercial food preparation areas or in edible products areas of food processing plants.

CLOTHES MOTHS: Spray inside surface of closets and other storage containers thoroughly, paying particular attention to cracks. Spray cleaned clothes and fabrics lightly, especially seams and folds. Repeat every two or three weeks, unless treated articles are packed in a moth tight container.

PATIOS, PORCHES: To Aid in Control of Flies, Mosquitoes, Gnats. Spray areas thoroughly. Also spray under tables, chairs, swarming areas such as rafters, screens and garbage cans, and in surrounding air.

CAUTION: Harmful if swallowed. Wash hands after use. Remove pets, birds and fish bowls from room before spraying. DO NOT USE POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME. When container is empty, immediately wash thoroughly and destroy. Never re-use.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
