

ISOTOX® Insect Spray

READ ENTIRE LABEL USE STRICTLY IN ACCORDANCE WITH LABEL WARNINGS AND DIRECTIONS

CONTAINS SPREADER

SYSTEMIC ACTION ENABLES PART OF THE INSECTICIDE TO BE ABSORBED INTERNALLY THROUGH LEAF AND STEM SURFACES TO PROVIDE LONGER MORE EFFECTIVE PROTECTION

GENERAL DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with the following directions. For all listed uses mix 2 Tablespoons (1 oz) ISOTOX Insect Spray in a gallon of water, unless otherwise specified. Spray plants and both sides of foliage thoroughly. Repeat as necessary. Do not store diluted spray. Make new dilution for each use. For more specific directions and cautions read remainder of label. For best results use an ORTHO SPRAYETTE Garden Hose Sprayer.

NOTE: Do not apply to plants to be used for food or feed or Boston Ivy, Mock Orange, Hawthorne and Chinese Elm.

COMBINATION SPRAY WITH PHALTAN ROSE & GARDEN FUNGICIDE OR ORTHO FUNGINEX ROSE DISEASE CONTROL ON ROSES. For Powdery Mildew, Black Spot and Listed Insects. Add 1 Tablespoon PHALTAN Rose & Garden Fungicide to 1 Gallon of water. Add 1 Tablespoon ISOTOX Insect Spray to 1 Gallon of water. Spray plants and both sides of foliage thoroughly.

Use in a dilution of 2 to 4 parts of water to 1 part of concentrate. For the ISOTOX Insect Spray with ORTHO FUNGICIDE, Rose Disease Control, recommended rates for insect and disease control. To improve powder mildew control use combination weekly during spring and fall new growth. For late summer control apply PHALTAN Rose & Garden Fungicide at regular intervals. For Disease Control add ISOTOX Insect Spray. After necessary to use to control Japanese beetle, black stem borer, European rose sawfly, rose rosetite, add 1/2 pint of 2% solution of ISOTOX Insect Spray to the above amount of water. Repeat as needed.

WARNING - MAY BE FATAL IF SWALLOWED, INHALED OR ABSORBED THROUGH THE SKIN. In case of contact with eyes, flush immediately with water. If swallowed, do not induce vomiting. If inhaled, get fresh air immediately. If absorbed through the skin, wash with soap and water. If symptoms persist, consult a physician.

STORAGE AND DISPOSAL Store in a cool, dry place, away from children and pets. Do not store in plastic containers. Do not use if the container is damaged. Dispose of the product and container in accordance with local, state, and federal regulations.

NOTICE - This product contains organophosphorus compounds. Organophosphorus compounds are highly toxic and may be fatal if swallowed, inhaled, or absorbed through the skin. Use this product only in accordance with the directions on the label. Do not use if the label is missing or illegible.
