**CONDITIONS OF SALE:** 1. Chevron Chemical Company (Chevron) warrants that this material conforms to the chemical description on the label and is reasonably fit for use as described herein. Chevron neither makes, nor authorizes any agent or representative, to make any other warranty of MERCHANTABILITY, guaranteed or representation, concerning this material.

2. This material is for use only as directed by the label. It is not to be used in any manner that creates a public health connection with the use of this material. Such uses are prohibited, but are not limited to ornamental plants and crops to which the material is not intended to be applied, and damage caused by application of this material to crops to which it is not intended to be applied. It is not reasonably fit for the use stated herein, and even though label directions are followed, Buyer and user acknowledge and assume all risks and liability, except those assumed by Chevron under the above warranty, in handling, storage, and use of this material.

**CAUTION**

## READ THE LABEL

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION:** Avoid contact with skin. Avoid contact with eyes. Wash thoroughly after use. Do not use as a substitute for food. Do not apply under conditions involving possible drift to food, forage or other plantings that might be damaged or the crops thereof rendered unfit for sale, use or consumption.

Do not mix with acids. Keep out of contact with water. Do not contaminate water by cleaning of equipment or disposal of wastes. This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.
