SCRAM® Dog Repellent Spray

**Helps Keep Dogs Away From
Shrubs, Trees, Lawns, Store
Fronts, Tires and Perches**

**The Odor
and Voice Command Training Does It**

**DANGER: Keep out of reach of children.
See back panel for additional danger state-
ments.**

NET WEIGHT 11 OZ.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL DANGER STATEMENTS, WARNINGS AND DIRECTIONS.

DIRECTIONS: Helps stop dogs from damaging "habitual stops" Use repellent at 3 day periodic intervals with training of dog through voice commands Repeat applications after rains Use as necessary to maintain repellent odor.

TO OPERATE: Shake well before using. Remove Cap. Hold bomb in upright position to spray Press Nozzle directed at object to be sprayed.

Shrubs, Trees—Hold container 18 to 24 inches from plants being sprayed. Spray in a sweeping motion at the rate of one foot of plant per second. Do not wet plants by excessive application Do not apply to tender foliage. Spray the lower branches, tree trunks, and the soil around the plants In severe "habitual stops" drive stakes around plants and spray stakes thoroughly.

Porches, Fences, Posts, Store Fronts, Blank Tires and Rims, Garbage Cans or other areas where dogs are in a habit of returning—Hold container 12 inches from objects being sprayed

Dog habits are sometimes hard to break and the checking of their "stops" may be gradual

Lawns—Spot treat depositing areas using repeat applications as necessary Repeat after rains

NOTE: For Best Results—Plan to use the repellent with a periodic voice command program in order that the dog associate the odor with the command. Young dogs and old dogs may be poorly sensitive to odors or commands.

DANGER: Harmful if swallowed Causes eye damage Avoid breathing of spray mist Avoid contact with skin In case of eye contact immediately flush eyes with plenty of fresh water and see a physician Wash thoroughly after using

Note to Physicians: Emergency Information—call (415) 233 3737 Do not contaminate food utensils dishes or drinking water Do not apply to humans pets or birds or near fish bowls

WARNING: Flammable! Contents under pressure Do not use near fire, sparks or flame Do not puncture or incinerate container Exposure to temperatures above 130° F may cause bursting

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions
