This product is formulated for application by ground or air equipment. Apply this product only as specified on this label.

**STRAWBERRIES; Botrytis Rot, Powdery Mildew**—50 lbs. per acre. Apply in early bloom and continue at weekly intervals as necessary.

 **READ THE LABEL**

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION:** Avoid inhalation of dust. Avoid contact with skin. Do not store or transport near feed or food. Some fruits and other plants are susceptible to injury from sulfur under certain climatic conditions. The user is advised not to use sulfur on any crop unless local use has proved that sulfur does not damage crops in that locality. **Do not apply under conditions involving possible drift to food, forage or other plantings that might be damaged or the crops thereof rendered unfit for sale, use or consumption.** Fish may be killed if their waters are contaminated with this product. Keep out of any body of water.

**CONDITIONS OF SALE:** 1. Chevron Chemical Company (Chevron) warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. Chevron neither makes, nor authorizes any agent or representative to make, any other warranty of FITNESS or of MERCHANTABILITY, guarantee or representation, express or implied, concerning this material. 2. Critical and unforeseeable factors beyond Chevron's control prevent it from eliminating all risks in connection with the use of chemicals. Such risks include, but are not limited to, damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for the uses stated hereon and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability except those assumed by Chevron under 1 above, resulting from handling, storage, and use of this material.
