READ BEFORE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL DIRECTIONS

DIRECTIONS
ORTHO Rose & Floral Spray protects roses, dahlias, chrysanthemums, camellias, azaleas, geraniums, hydrangeas, cannas, gladioli and begonias against a broad range of pests. Provides: (1) quick knockdown and kill of listed insects; (2) protection against certain insects for about 1 week; and (3) control of black spot, powdery mildew on roses.

KILLS FOLLOWING INSECT PESTS AROUND LAWN AND GARDEN

Aphids	Whiteflies	Japanese Beetles	Rose Chiggers
Leafhoppers	Loose Leafhoppers	Bagworms	Scale Insects
Exposed Thrips	Mealybugs		

WHEN TO APPLY For insect control - Spray at first sign of pests, before infestation is heavy. Spray in morning when air is still - not in heat of mid-day or in bright sun. Do not spray when temperature is below 60°F or above 85°F. For disease prevention and control - Spray weekly starting before diseases appear. Not for use on house plants inside the home.

HOW TO APPLY Hold can 18-24 inches from plant. Press button, using brief and second burst. Spray plant parts lightly. Cover both upper and lower leaf surfaces. To spray under leaves, turn can upside down and release spray.

Note: Do not hold can closer than 18 inches from plant when spraying to prevent over wetting and damage to tender foliage.

WARNING: Harmful if swallowed, inhaled or absorbed through the skin. Do not take internally. Avoid breathing spray. Skin contact may be harmful. Avoid skin contact. Wash hands and face before eating.

Note to Physicians: Emergency information - call (415) 233-3737. Carbaryl is a moderate reversible Cholinesterase inhibitor. Atropine is antidotal. **AVOID CONTAMINATION OF FOOD.** Dispose of container promptly when empty.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label. This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
