NET WT. 15 OZ.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes, or clothing. Do not allow children to contact treated surface until surfaces are completely dry. Avoid contact with food, utensils, and food preparation areas. Do not use in commercial food preparation areas or in edible products areas of food processing plants. Remove pets and cover aquaria in areas to be treated. Wash thoroughly with soap and warm water after handling. **STATEMENT OF PRACTICAL TREATMENT:** If swallowed, telephone a Poison Control Center, emergency treatment center or a physician for advice. DO NOT make person vomit unless directed to do so by medical personnel. If medical advice cannot be obtained, then immediately take the person and container to an emergency treatment center. In case of eye contact, wash eyes immediately with fresh water for at least 15 minutes. See a doctor if irritation persists. In case of skin contact wash with plenty of soap and water. **Note to Physicians:** Emergency Information—call 1-800-451-2822. This product contains a cholinesterase inhibitor. If signs and symptoms of cholinesterase inhibition develop, atropine is antidotal. 2-PAM is also antidotal and may be given in conjunction with atropine, but should not be used alone.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. **PHYSICAL OR CHEMICAL HAZARDS:** Flammable. Contains under pressure. Keep away from heat, sparks, and open flame. Exposure to temperatures above 100°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

ORTHO Ant, Roach & Spider Spray is a highly effective formulation which provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphorus insecticides.

Ants	Crickets	Roaches	Scavenger Spiders
Brown Dog Ticks	Earwigs	Silverfish	Spiders

In addition to rapid initial kill, ORTHO Ant, Roach & Spider Spray stays on treated surfaces and provides residual insect killing power after the spray deposit has dried.

HOW TO USE: Spray infested surfaces until wet, moving the spray stream rapidly to prevent excessive wetting of surfaces, and waste of material. Point spray away from people, plants and pets.

RESTRICTIONS: Do not apply to rugs, carpets, asphalt tile, draperies, wallpaper or similar materials that may be stained. Avoid excessive wetting of plastic and rubber surfaces such as tiles and floor coverings.

DIRECTIONS

ANTS, COCKROACHES, CRICKETS, SILVERFISH, SPIDERS, SCORPIONS: Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around wall outlets. Spray all trails in places where ants enter structures. Repeat as needed. **Residual activity against roaches lasts from 4 to 8 weeks.** **DIRECTIONS:** For flushing crawling pests out of hiding, use ORTHO Hi-POWER™ Indoor Insect Fogger after applying this product.

BROWN DOG TICKS: Spray sleeping quarters of pets, ground baseboards, window and door frames, wall cracks and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

ANTS, CRICKETS, EARWIGS, SCORPIONS, AND BROWN DOG TICKS—OUTDOORS: Spray in listed areas thoroughly including outside surfaces of screens, doors, window frames, furniture, patios, or other places where insects hide. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

STORAGE AND DISPOSAL

STORAGE: Store in a secure, preferably locked, area away from heat or open flame. **DISPOSAL: PRODUCT—** Unused product may be disposed of by securely wrapping original container in several layers of newspaper and then placing in trash. **CONTAINER:** Replace cap and discard container in trash. Do not incinerate, melt, or reuse.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
