ORTHO Liquid Lawn Disease Control

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING: Causes eye and skin irritation. Skin contact may cause allergic reaction. Do not get in eyes, on skin or on clothing. Wear rubber gloves when handling. Wash skin and hands thoroughly after using. Rinse and wash contaminated clothing before reuse. Keep children and pets off treated area until dry.

STATEMENT OF PRACTICAL TREATMENT: In case of eye contact, immediately flush eyes with fresh water for 15 minutes and see a doctor. In case of skin contact, wash skin with soap and water. Get medical attention if irritation persists. Note to Physicians: Emergency information — call (415) 233-3737.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

ORTHO Liquid Lawn Disease Control gives effective control of common diseases of grass lawns including Brown Patch (Rhizoctonia), Helminthosporium Leaf Spot and Melting Out (Helminthosporium), Dollar Spot (Sclerotinia), Copper Spot (Blaschkeomyces), Red Thread (Corticium), Curvularia Leaf Spot (Curvularia), Gray Leaf Spot (Piricularia), and Stem Rust (Puccinia) of Bluegrass; also Leaf Spot (Alternaria) and Anthracnose in Dichondra lawns (California only).

DIRECTIONS:
One day before applying ORTHO Liquid Lawn Disease Control, mow lawn, collect clippings and water if necessary. May be applied with an ORTHO SPRAYETTE or ORTHO Lawn and Garden Sprayer (foliage setting), tank type or power sprayer. Shake bottle well before using. For best results when mixing, place a small amount of water in sprayer, add the appropriate amount of ORTHO Liquid Lawn Disease Control, then add water to bring to desired level and agitate gently to uniformly mix the solution. Apply spray evenly. Six gallons diluted spray treats 1,000 sq. ft. Agitate occasionally while spraying. Do not water or mow lawn for 48 hours after application. Make new dilution for each use. Do not apply when temperature is above 90°F to prevent slight burning or temporary discoloration of grass lawns. Do not graze treated areas or feed treated plant parts to livestock.

IMPORTANT: ORTHO Liquid Lawn Disease Control is effective on a wide range of diseases, however proper identification of specific lawn disease is essential for control. Take a specimen of the disease to a professional garden center or contact the local County Extension Service for positive identification before treatment.

GRASS LAWN DISEASES
Copper Spot (Blaschkeomyces)
Curvularia Leaf Spot
Dollar Spot (Sclerotinia)
Gray Leaf Spot (Piricularia)
Helminthosporium Leaf Spot
& Melting Out
Large Brown Patch (Rhizoctonia)
Red Thread (Corticium)
Stem Rust of Bluegrass (Puccinia)
Dichondra Diseases — (CA only)
Alternaria Leaf Spot
Anthracnose (Glomerisporium)

CONDITIONS
70 - 80°F; low fertility
Summer, 80 - 90°F; heavy thatch
70 - 80°F; low fertility
Summer, high N; high humidity
Summer, 80 - 90°F; moist; overcast
Summer, 75 - 85°F; warming trend
Cool wet, 55 - 72°F
70 - 75°F; high light intensity; humidity
Winter & Spring; rainy; cool, 55 - 72°F
Summer, 70 - 85°F

FOR ESTABLISHED LISTED DISEASES AND SEVERE CONDITIONS — Apply 12 fl. oz (1 1/2 cups) in 6 gallons of water to cover 1,000 sq. ft. During periods of very wet or damp weather, make 3 successive applications at 7 day intervals. Continue treatments following rate and intervals listed below.

FOR LIGHT DISEASE INCIDENCE AND MILD CONDITIONS — Apply 5 fl. oz (1 cup) in 6 gallons of water to cover 1,000 sq. ft. Apply at a 10 - 14 day interval depending on severity of disease and conditions favoring disease development until lawn has recovered. NOTE: For 500 sq. ft. of lawn, use half the listed amount of product in 3 gallons of water.

STORAGE AND DISPOSAL: Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Avoid contamination of feed and food-stuffs. Store in a cool, dry place, preferably in a locked storage area. Do not store diluted spray.

DISPOSAL: PRODUCT — Partially filled bottle may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER —** Do not reuse empty bottle. Rinse thoroughly before discarding in trash.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
