Rainfall 2 hours after treatment will not wash away effectiveness.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

WHEN TO APPLY

Apply when vegetation is leafed out and growing.

IMPOTANT: Do not use around edible feed or food crops or areas where grazing is allowed.

HOW TO APPLY

Point arrow on button toward red mark at top of can to direct spray. Shake can before use. Spray to cover leaves. Also apply to trunks, limbs, and stems of vines. The white foam marker will indicate when leaves have been thoroughly covered. When poison ivy is growing up poles, fence posts or trunks of trees, spray all leaves around the base and up to a height of 3 to 4 feet. If poison ivy is growing on privet or lilac, to avoid damage to these plants, cut ivy vines at base and spray cut surface. Under summer weather conditions, treated plant leaves turn brown in 2 to 6 weeks after spraying. The chemicals are translocated throughout the entire plant, killing roots and

tops.

Alternate "How To Apply" & "When To Apply" text

HOW TO APPLY

- Point arrow on button toward dot on top of can.
- Shake can before use.
- Spray weed(s) to thoroughly cover foliage, stems and trunk.
- Do not spray plants or grasses you like - they may die too. Not recommended for weed control in lawns.
- If desirable plant is accidentally sprayed, rinse off immediately with water.

WHEN TO APPLY

- Apply when weed(s) is/are leafed out and actively growing.
- Apply when air is calm to prevent drift to desirable plants.
- Rain 2 hours after application will not wash away effectiveness.
- Weeds usually turn brown in 2 to 6 weeks. Hard to kill weeds may require a repeat application if regrowth occurs.

Note: Contact with Poison Oak or Poison Ivy anytime of the year can cause an allergic reaction. Handle dead plants with rubber gloves. Dispose of plants & rubber gloves in tightly sealed garbage bags.

STUMP KILLING: Apply to freshly cut stump and to area 3 to 6 inches below cut. This product is non-selective. Do not apply to or allow drift to contact desirable vegetation. Do not apply when drift may occur. In case of accidental contact with desirable foliage, immediately rinse off with water.

IMPORTANT: Dead poison ivy and poison oak can cause skin irritation. Avoid any contact with bare arms or face. Do not burn dead poison ivy or poison oak stems or foliage. Smoke from burning poison ivy and poison oak has caused severe injury to skin or to lungs when inhaled.(And/Or) Do not use on or around edible feed or food crops. (Alternate location for text)

Alternate Stump & Vine text

For Stumps /To Kill Stumps

- Apply to the entire freshly cut stump, including the cut surface, remaining trunk & exposed roots.

For Vines /To Kill Vines

- If weed is/weeds are/vine/vines are growing up poles, fences or mature tree trunks, spray to thoroughly cover weed/vine up to a height of 3 to 4 feet.
- If weed is/weeds are/vine is climbing a shrub or immature (green) tree trunk, to avoid damage to these plants, cut weed/vine at base & treat as directed for stumps.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a secure, preferably locked storage area away from heat or open flame.

PESTICIDE DISPOSAL: If partly filled, call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

CONTAINER DISPOSAL: If empty place in trash or offer for recycling if available. Do NOT puncture or incinerate.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

Keep out of reach of children.

CAUTION: Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing during and after application. Wear long-sleeved shirt, long pants, shoes and socks when applying this product. Remove and wash contaminated clothing before reuse. Do not apply this product in a way that will contact any person or pet, either directly or through drift.

[reentry icon] Do not enter or allow people or pets to enter treated areas until spray has dried.

User Safety Recommendations:

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Wash thoroughly with soap and water after handling.

Note to Physicians: Emergency Information call 1-800-454-2333
(OR) 1-800-225-2883.

ENVIRONMENTAL HAZARDS: Do not apply directly to water. This product contains a chemical that has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F. may cause bursting.

NOTICE: To the extent allowed by law, buyer assumes all responsibility for safety and use not in accordance with directions.
