**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through the skin. May cause eye irritation. Avoid contact with eyes, skin and clothing.

**STATEMENT OF PRACTICAL TREATMENT:** If swallowed, DO NOT make person vomit. If person is conscious, give a large quantity of water or milk to drink and call a doctor or emergency hospital. If in eyes, flush with fresh water for 15 minutes and see a physician. If on skin, wash thoroughly with soap and water. **Note to Physicians:** Emergency Information - call (415) 233-3737.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

**DIRECTIONS -** Remove cap and snip 1/8 inch off top of spout. Point spout and squeeze to liberally apply a thin film of dust under and behind refrigerator, range, dishwasher, washing machine and dryer, garbage storage area, in cracks and crevices along baseboards and openings around pipes and wall voids. Remove all lower cabinet drawers in kitchen, baths and closets and apply liberally in drawer wells. **Note:** Any powder visible after application should be brushed into cracks and crevices or removed. A 12 oz. bottle of ORTHO Roach Killer Powder will provide a thorough treatment for an average home or treat a garage and basement. ORTHO Roach Killer Powder remains active and effective over long periods of time if kept dry and will effectively kill off the existing roach population within 3 to 10 days when properly applied. Reapply as necessary.

**NOTE:** ORTHO Roach Killer Powder can injure vegetation. Do not place in flower pots or around desirable plants.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through the skin. May cause eye irritation. Avoid contact with eyes, skin and clothing.

**STATEMENT OF PRACTICAL TREATMENT:** If swallowed, DO NOT make person vomit. If person is conscious, give a large quantity of water or milk to drink and call a doctor or emergency hospital. If in eyes, flush with fresh water for 15 minutes and see a physician. If on skin, wash thoroughly with soap and water. **Note to Physicians:** Emergency Information - call (415) 233-3737.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

**DIRECTIONS:** Shake well before opening. Apply powder with the enclosed measuring spoon, scattering liberally under and behind refrigerator, range, dishwasher, washing machine and dryer. Remove all lower cabinets, drawers in the kitchen, baths and closets and scatter liberally in drawer wells. Spread 1/2 teaspoonful in each corner of shelves, under shelf paper in kitchen, baths and closets. Place powder in cracks under sinks and other inaccessible areas. **Note:** Any powder visible after application should be brushed into cracks and crevices or removed. One pounds treats up to a nine-room residence or basement plus garage.

**DIRECTIONS FOR APPLYING DURING BUILDING CONSTRUCTION:** Apply powder with a power or hand-operated duster to insure penetration into hidden areas among open voids. Use approximately two to three pounds per 500 sq. ft.

ORTHO Roach Killer Powder remains active and effective over long periods of time if kept dry and will effectively kill off the existing roach population within 3 to 16 days when properly applied. Reapply as necessary.

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 241-280" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
