OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

May 31, 2017

Mandy Slack
Analyst, Regulatory Affairs
The Scotts Company LLC d/b/a/ The Ortho Group
P.O. Box 190
Marysville, OH 43040

Subject: Notification per PRN 98-10 – Adding marketing claims and other minor changes
Product Name: Greensweep Weed & Feed 20-0-0
EPA Registration Number: 239-2640
Application Date: March 14, 2017
Decision Number: 527902

Dear Ms. Slack:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, please contact Emily Schmid by phone at 703-347-0189, or via email at schmid.emily@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Emily Schmid for".

Kathryn V. Montague, Product Manager 23
Herbicide Branch
Registration Division (7505P) Office of
Pesticide Programs

GreenSweep Weed & Feed 20-0-0

Optional sticker: [Greens Your Lawn in 24 hours and Kills Weeds!]

Front of Label

[Feeds and Treats] **or** [Covers][Up to 6,000 Square Feet]

Insert product name: [GreenSweep Weed & Feed]

Internal back booklet label

Note to PM: Directions for Use Option 1

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE USING THIS PRODUCT. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

Do not apply this product in a way that will contact any person or pet, either directly or through drift.

[Reentry icon] Keep people and pets out of the area during application. Do not allow people or pets to enter the treated area until sprays have dried.

HOW TO APPLY: (For use with Ready-To-Spray System)

Shake well before using. Connect sprayer to hose. Turn on water.

- To begin spraying, point nozzle in the direction you want to spray. Bend small [*insert color*] plastic tab [on side/on top] of sprayer back and turn knob clockwise to ON position.
- Spray evenly over measured area.
- To stop spraying, bend small [*insert color*] plastic tab back and turn knob counter clockwise to OFF position. Turn off water.
- Relieve water pressure by bending plastic tab back and turning knob to ON position until water slows to a drip. Then, turn knob back to OFF position.
- Disconnect sprayer from hose.

Note to PM: Optional Application Directions for Ready-Spray 2

HOW TO APPLY: (For use with Ready-Spray 2)

Connect:

1. Shake well before using. [optional step]
2. Connect sprayer to hose.
3. Turn on water.
4. Extend hose to farthest area of the measured area to be treated. [optional step]

Spray:

1. To begin spraying, [disengage safety lock and] point nozzle in the direction you want to spray.
2. Slide thumb activation switch forward to ON position.
3. Spray evenly over measured area.

Finish:

1. To STOP spraying, slide thumb activation switch backward to OFF position.
2. Turn off water.
3. Relieve water pressure by sliding thumb switch to ON /WATER/ WATER ONLY position until water slows to a drip. Then, slide switch back to OFF position [and engage safety lock].
4. Disconnect sprayer from hose.

[Optional illustrations may be used in conjunction with the above steps]

AMOUNT TO APPLY

Apply only the specified amount for the area to be covered.
Exceeding the specified rates may damage turf.

WARM SEASON LAWNS - Bahia, common Bermuda, centipede and zoysia.

1 quart covers 6,000 sq ft.

NOTE: Some temporary injury may occur with these lawns.

USE RESTRICTIONS

In spring, do not apply until grass has reached full green-up. In fall, do not use when grass is going into dormancy. Some hybrid Bermuda grasses may be sensitive to this product.

COOL SEASON LAWNS - bluegrass, fescue and ryegrass

1 quart covers 4,000 sq ft.

FOR BEST RESULTS

- If lawn needs watering, water thoroughly 24 hours before application.
- Do not cut grass 1 to 2 days after application.
- Do not water for 48 hours after application as watering will wash off weed killing material.
- Spray when air is calm to avoid spray drift that might injure desirable ornamental plants.
- Do not apply when temperatures exceed 85°F.
- Do not reseed, sod or plug lawns or plant stolons for 3 to 4 weeks after use. Do not apply to newly seeded lawns until they have been mowed three times.
- Spray when weeds are actively growing.
- [RESULTS:] Weeds will begin to curl within a few days. Some hard-to-control weeds may require a repeat application in 3 to 4 weeks.

IMPORTANT

For grass lawns only. Do not spray St. Augustinegrass, Buffalograss, dichondra, lippia or desirable clovers. Do not use this product on flower or vegetable beds, or around shrubs, trees or ornamental plantings. The maximum number of broadcast applications per treatment site is 2 per year.

End of Directions for use Option 1

Note to PM: Directions for use Option 2 for Private Label Branding

For grass lawns only. Do not use this product on flower or vegetable beds or around shrubs, trees or ornamental plantings.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE USING THIS PRODUCT. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

Do not apply this product in a way that will contact any person or pet, either directly or through drift.

[Reentry icon] Keep people and pets out of the area during application. Do not allow people or pets to enter the treated area until sprays have dried.

HOW TO USE: *(For use with Ready-To-Spray System)*

- Make sure ON/OFF valve is in OFF position. Shake well.
- Connect sprayer nozzle to hose. Turn on the water at the tap.
- When ready to treat, point in the direction away from face and body and pull toward the hose end connection.
- Turn the ON/OFF valve to the ON position. The water mixes automatically with this product at the proper ratio.
- Walk and spray at steady pace.

Note to PM: Optional Application Directions for Ready-Spray 2

HOW TO APPLY: *(For use with Ready-Spray 2)*

Connect:

1. Shake well before using. [optional step]
2. Connect sprayer to hose.
3. Turn on water.
4. Extend hose to farthest area of the measured area to be treated. [optional step]

Spray:

1. To begin spraying, [disengage safety lock and] point nozzle in the direction you want to spray.
2. Slide thumb activation switch forward to ON position.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store product in original container in a safe place. Protect container from freezing.

PESTICIDE and CONTAINER DISPOSAL: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wear long pants, long-sleeved shirt, socks, shoes and chemical resistant gloves when handling or applying this product. After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

FIRST AID:

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15—20 minutes. Call a poison control center or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling poison control center or doctor, or going for treatment.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. Do not apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. Do not apply within 25 feet of rivers, fish ponds, lakes, streams, reservoirs, marshes, estuaries, bays and oceans. Do not apply when windy. To prevent product run-off, do not over water to the point of runoff, or apply when raining or when rain is expected that day.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this product in areas where soils are permeable particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

[NOTICE: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.]

[Scotts No-Quibble Guarantee®]

[If for any reason you, the consumer, are not satisfied after using this product, you are entitled to get your money back. Simply send us evidence of purchase and we will mail you a refund check promptly.]

[Ortho & Your Environment – Your yard is a place for family and pets to enjoy. That’s why Ortho products are designed with care to provide effective solutions to weed problems. Please follow instructions for appropriate usage, storage and disposal.]
