NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment.

a. Add the phrase "EPA Registration No. 241-304."

b. In regard to the pet statement the Agency cannot approve claims as to the safety of a pesticide or its ingredients in any form. Therefore, the inclusion of a pet statement is not acceptable. Please delete it.

3. Submit five (5) copies of your final printed labeling with you release the product for shipment. Refer to the A-78 instruction for a further description of final printed labeling.

with COMMENTS
in EPA Letter Dated:

JUN 25 1987

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
241-304

Contains 3 Child-resistant Bait Stations

TOTAL NET WT. 0.177 OZ.

Active Ingredient: Hydramethylnon [tetrahydro-5,5-dimethyl-
2(1H)-pyrimidinone(3-[4-(trifluoromethyl)phenyl]-1-
(2-[4-(trifluoromethyl)phenyl]ethenyl)-2-propenylidene)
hydrazone]..... 0.9%

Inert Ingredients.....99.1%

KEEP OUT OF REACH OF CHILDREN

CAUTION: DO NOT ALLOW CHILDREN OR PETS TO PLAY WITH THE BAIT STATIONS

CARTON BACK PANEL

AMDRO® Ant Control Stations

HERE'S HOW AMDRO WORKS (diagram)

AMDRO Ant Control Stations contain a totally unique insecticide ingredient. AMDRO bait stations are effective because ants carry bait back to destroy the queen and the entire colony. And AMDRO Ant Control Stations are odorless, child-resistant, and easy to use. AMDRO even kills the ants you don't see, back in the colonies, where they live. AMDRO kills the following household ants: Argentine, black carpenter, cornfield, little black, odorous house and pavement ants.

DIRECTIONS: FOR HOUSEHOLD USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Simply place each bait station indoors right by ant trails or close to the area where ants are numerous. The stations can be placed in cabinets, next to food and dishes, or anywhere your ant problem occurs.
2. Increased ant activity may be seen near the bait stations for short periods but you can expect to see less activity within one week. For best results, do not interfere with the ants or the bait tray during its use because ants must carry the bait back to destroy the queen and colony.

EFFECTIVENESS GUARANTEE

If AMDRO does not provide satisfactory ant control, return all 3 bait stations for a full refund to: AMDRO Ant Control Stations, Box 8024, Trenton, NJ 08650.

Note: Pets may encounter an AMDRO bait station. The bait contained in the AMDRO bait station will not cause harm to pets if ingested.

In case of emergency, call collect, 201-835-3100.

DISPOSAL: Wrap containers and put in trash can.
