- Ceramic wall and floor tile
- Sinks
- Porcelain enamel washers, etc.
- Pots and Pans
- Whitewall tires
- Shower stalls
- Wash basins
- Swimming pool surfaces
- Chrome fixtures
- All metal hardware
- Woodwork
- Cement floors
- Bathtubs
- Stainless Steel

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. **SHAKE BEFORE USING.**
2. Squeeze onto damp cloth or sponge and apply to soiled surface (or apply directly onto surface to be cleaned).
3. Remove loosened soil with dampened cloth or sponge.
4. Rinse with clean water. Leaves no slippery film.

To Disinfect Toilet Bowls: Flush first. Apply 4 ounces of material above waterline, under and around rim of bowl. Let soak 10 minutes. Swab all surfaces thoroughly. Then flush.

Avoid soaking on porcelain surfaces for more than 30 minutes.

PRECAUTIONARY STATEMENT and FIRST AID
Hazards to Humans and Domestic Animals

CAUTION: May be irritating to the eyes. In case of contact, flush thoroughly with water. If irritation persists, contact physician. Ingestion may cause nausea and vomiting. If swallowed, drink large amounts of fruit juices, followed by milk, water or egg whites. In case of skin contact, flush with plenty of water.

STORAGE AND DISPOSAL

Keep away from heat.
