

ACCEPTED

MAY 22 1985

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended for the pesticide registered under EPA Reg. No. 529-556-0884

Technical Grade

For formulators use only

Product Number
5290

BEST AVAILABLE COPY

Active Ingredient: Bifenox [Methyl 5-(2,4-dichlorophenoxy)-2-nitrobenzoate] .97.0%

Related Compounds: 1.3%

Inert Ingredients: 1.7%

U.S. Patent 3,652,645

WARNING: KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED.

USES: Bifenox is a systemic fungicide for control of leaf spot diseases of corn, sorghum, and other grain crops. It is also effective against leaf blight of cotton and other crops.

CAUTION: This product will irritate the eyes, nose, and throat. Avoid contact with the eyes, nose, and mouth. After use, wash hands and face with water. Do not eat, drink, or smoke while using this product. Do not use in areas where it may be harmful to humans or animals.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL: wastes resulting from the use of this product should be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: completely empty liner by shaking and tapping top and bottom to break clumping particles. Empty residue into approved equipment. Then dispose of liner in a sanitary landfill or by incineration as allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

Bifenox is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes.

U.S. Patent 3,652,645

WARNING: KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED.

USES: Bifenox is used in the formulation of Modown herbicides. See Modown formulation manual for complete information on handling, formulation and labeling.

CAUTION: Harmful if swallowed, inhaled or exposed to skin. Avoid contact with skin, eyes and clothing. After use, wash hands, arms and face thoroughly with warm water. Wash all contaminated clothing with hot water and soap before reuse.

CONDITIONS OF SALE, WARRANTY, LIMITATION OF LIABILITY

Rhone-Poulenc warrants that the appearance of the name, address, etc. on the label and its readability for the purposes described in the label are correct. Rhone-Poulenc makes no other express or implied warranty, including warranty of fitness for particular use, in any sale of this product. Rhone-Poulenc and the seller be liable for any damages, including consequential damages, loss of profits or value, resulting from the use of this product.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be re-used, dispose of in the same manner.

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes.
