Subject: Notification per PRN 98-10 – update address and other minor changes
Product Name: Adams Equine Residual Fly Mist/Wipe
EPA Registration Number: 270-347
Application Date: April 22, 2015
Decision Number: 503721

Dear Ms. Semetis Lawless:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

If you have any questions, you may contact Elizabeth Fertich at 703-347-8560 or via email at fertich.elizabeth@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Elizabeth Fertich".

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON HORSES**

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

HUMANS: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

ANIMALS: Do not allow product to contact animal's eyes, nose, mouth, or sores during application. Do not use on horses or foals intended for slaughter. Do not use on nursing foals under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not contaminate foodstuffs. Do not smoke while using. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. **Wash hands with soap and water promptly after use.** Not for use in outdoor residential misting systems. Only spray in a well ventilated area.

TO OPEN: Press tab in and hold down while turning nozzle.

TO CLOSE: Turn nozzle back until tab locks into position.

HORSES:

Do not use on horses or foals intended for slaughter. Thoroughly brush the horse's coat prior to application to remove loose dirt and debris. For dirty horses, and as a preparation for show grooming, clean the coat with a good cleansing shampoo. Wait until coat is completely dry before applying Adams Fly Spray and Repellent. Cover entire surface of animal with spray. Do not apply over cuts, wounds or irritated skin. Brush coat against grain while spraying to insure adequate penetration of product. As a wipe, apply liberally with a clean cloth or sponge. Make sure spray has completely dried before covering with any tack. For initial treatment, apply Adams Fly Spray and Repellent daily for 2-3 days. As infestation subsides, repeat treatment every 10 days or as prescribed by a veterinarian. Also reapply every time animal is washed or exposed to a heavy rain.

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
